**TESTIMONIAL** - I went to the Light of the World retreat in 2013. One Sunday, a guy by the name of Mike talked about the retreat and how it changed his life. Before I knew it, I signed up. Things fell into place for me and there was no reason for me not to go.

On Friday night of the retreat, as people talked, it occurred to me that it was the work of the Holy Spirit that brought me there. People who I had seen in church were there. I didn't know their names then, but I figured that it was meant for me to be with them. We were all of different ages and came from different places in our lives, but I sensed that the Holy Spirit wanted us to be together.

I have grown in my spiritual life since then and have made many friends in my Light of the World family. We pray for each other and are supportive. In the good and bad times that we all have to face in life, these people are always there for you. We share our faith and our lives with each other. Sharon Bethune
