"OUR PLACE OF HOPE AND PROMISE" PROGRAM

This week you will receive a brochure introducing our "Our Place of Hope and Promise" Program. I'm proud to be part of the Blessed Sacrament Church community. On Commitment Weekend, **November 7th & 8th**, I invite each of you to participate in this important program and help us respond to God's great gift of love. I ask that you please review this brochure and prayerfully consider how you and your family can help Blessed Sacrament Church by financially supporting our ministries, furthering our mission, and reinforcing our future.

We ask that all faithful parishioners complete a Commitment Card. A card will be included in the brochure mailing for you to:

- mail to the church using the pre-addressed envelope included in this mailing.
- or bring your card to Mass next Sunday.
- or you may visit our parish website at www.blessedsacramentlincoln.org and complete an electronic Commitment Card.

The back of the Commitment Card has a place for you to include any prayer intentions you wish to share. We welcome all intentions and they will be prayed for collectively over the next few weeks. If you would like to speak to a priest, please indicate so on your card and we will be in contact with you.

Our goal is 100% participation! Thank you for your generosity and support of Blessed Sacrament Church!

Together, we look forward to another year of faith, growth, and community. *May God continue to bless our parish family.*

VOTE AGAINST INITIATIVES 440 & 441

WHAT'S AT STAKE? **Initiatives 440 & 441 would amend the state constitution and state statutes to allow predatory online sports gambling anywhere throughout Nebraska.** False promises of small property tax relief by out-of-state gambling companies do not outweigh the significant social costs online sports gambling would cause Nebraskans.

AN ADDICTIVE CASINO IN EVERY POCKET

With every mobile device acting as a 24/7 virtual casino, online sports betting apps use aggressive AI technology and algorithms to exploit users, especially young men and teenagers, and profit from their addiction.

FAMILY BREAKDOWN

Predatory forms of gambling can lead individuals into financial ruin, eroding familial and marital relationships, increasing incidences of child neglect, domestic violence, homelessness, and suicide.

ATHLETE THREATS & HARASSMENT

Student-athletes will become the targets of anonymous harassment, social media abuse, and threats by angry bettors who have lost money betting on everything from the score of a game to whether the player made a specific goal, free throw, or serve.

Initiative Measure 440

Shall the Nebraska Constitution be amended to authorize the enactment of laws allowing persons located within Nebraska to place sports wagers through an Internet-based platform when offered by an authorized gaming operator conducting games of chance within a licensed racetrack enclosure in Nebraska?

Initiative Measure 441

Shall statutes be enacted that: (1) Allow persons located within Nebraska to place sports wagers through an Internet-based platform when offered by an authorized gaming operator conducting games of chance within a licensed racetrack enclosure in Nebraska or the operator's platform provider; and (2) Regulate such sports wagers?

Dear School Administrators,

I am writing to confirm that Opportunity Scholarships of Nebraska (OSN) will be the designated Scholarship Granting Organization (SGO) for the schools of Diocese of Lincoln.

Starting January 1, 2027, Nebraska families will once again have school choice. The Education Freedom Tax Credit (EFTC) opens significant new financial support for our Catholic schools and the families we serve.

Many of you are already familiar with our statewide scholarship granting organization, OSN, and have already been working closely with its staff to prepare for the EFTC.

OSN has worked closely with our diocesan schools since 2023, helping deliver millions of dollars in tuition scholarships to our school families. OSN, in conjunction with the Nebraska Catholic Conference, advocates for greater educational freedom for families in our state and connects potential students to our schools.

As we prepare for EFTC, OSN is focused on engaging potential tax credit contributors now, before the program takes effect, so we can award meaningful scholarships to your families. OSN staff members have been traveling the state to give presentations and meet with key stakeholders. We have also created materials to help schools raise designated tax credit contributions from their local communities. You can download these materials at nebraskaopportunity.org/osn-partners (password: hopeforkids).

School leaders will soon receive more materials, along with an online pledge and giving platform to make raising contributions as easy as possible. OSN is also launching a marketing campaign, with digital and streaming ads, to reach potential contributors across the state and nation.

Bishop Conley and the diocesan schools office have full confidence in the OSN staff and their commitment to getting scholarships to the families who need them most. Having a Nebraska-based scholarship granting organization committed to our state and our schools is an invaluable gift and resource. If you have any questions regarding our partnership with OSN, please contact me fr.lawrence-stoley@cdolinc.net, cell: 402-450-4552. You may also reach out to OSN staff at info@nebraskaopportunity.org.

In ***Life Everlasting: Heaven, Hell, Death, and Judgment,*** Catholic scholars Dr. Edward Sri and Dr. Jeffrey Morrow guide you through the Church's teachings on the last things—the great realities that await every human soul. In five focused sessions, they draw from Scripture, the Catechism, and the wisdom of the Church to show how death, judgment, heaven, and hell are not abstract ideas meant to inspire fear, but profound truths that illuminate how we are called to live here and now.

Through engaging video presentations and the companion study book, you and your group will reflect deeply on what it means to live each day in light of eternity. The sessions offer clear teaching, reflection questions, and opportunities for discussion, making it simple for leaders to foster meaningful conversation and prayerful discernment.

Life Everlasting will help participants see how God's plan for our eternal destiny gives purpose to our struggles, clarity to our decisions, and hope for the future. By the end of this study, you will walk away with a renewed vision of your daily life, strengthened by the promise of eternal life with God.
