The high point of the liturgical year—and most importantly, the high point of our spiritual life—is the celebration of the Paschal Mystery, our Lord's death, and resurrection, during Holy Week. My children, remember this, that when the priest gives you absolution, you have but one thing to think of, -- that the Blood of the good God is flowing over your soul, to purify it, and make it as bright as it was made by its baptism. A soul which has received absolution is like an infant newly baptized: heaven is open to it, as to that little angel.
