MONTH 5-DEVELOPING BABY --"MOMMY FELT ME KICK TODAY!"

KICK TODAY!"-Your spiritually adopted baby weighs over one pound now, & his mother can feel his movement. Before this time, he was too small for her to feel. Although he swam with ease in his watery world, he needed to be big & strong enough to kick hard against the outside wall & dent it - the inside wall of the uterus has little feeling. We are mid-way through the pregnancy now. Your prayers have helped your baby's mother continue with her pregnancy & seek the help she needs.
